Duplicate Application for Leave to Intervene

Pursuant to A.A.C. R14-3-105, Utility.com, Inc. respectfully applies for an order granting leave to intervene in the above captioned proceedings. In addition, if possible, utility.com respectfully requests that its intervention be granted as of May 14, 1999, the date of its original filing.

Utility.com will be directly and substantially affected by the proceedings because utility.com intends to file an application for a Certificate of Convenience and Necessity to offer competitive electric services in Arizona, and the manner in which the above-captioned proceeding is carried out is likely to have a significant effect on the manner in which utility.com may offer such services.

The granting of utility.com's application for leave to intervene will not cause the issues to be unduly broadened, except upon leave of the Commission first had and received.

Utility.com requests that communications in connection with the above captioned proceeding be sent to:

Chris King  
Chief Executive Officer  
Utility.com, Inc.  
828 San Pablo Ave.  
Albany, CA 94706

Finally, utility.com requests that its intervention be granted as of May 14, 1999. On that date, utility.com filed its Petition for Leave to Intervene. Utility.com was notified by the Docket Office that its application had been received. Subsequently, however, the application has not been processed, and the Docket Office is unable to locate the original filing. Accordingly, in this duplicate filing, utility.com respectfully requests that its intervention be granted as of the original filing date. Attached is a copy of the original filing.

Respectfully submitted this 12<sup>th</sup> day of July, 1999.

Sincerely,

Chris King  
Chief Executive Officer
